

2014 Treasures of the Texas Coast Calendar

Texas General Land Office
Jerry Patterson, Commissioner

2014 Calendar

The Texas General Land Office is pleased to present this calendar featuring the 40 winning entries in the Adopt-A-Beach program's "Treasures of the Texas Coast" Children's Art Contest. The annual contest is open to students in grades K through 6. Last year, more than 3,300 students from across the state submitted artwork illustrating what they value about the Texas coast. The calendar also contains facts about the Texas coast.

Texas Adopt-A-Beach Program

The Texas Adopt-A-Beach program is an all-volunteer effort to remove trash from Texas beaches and to increase public awareness of the problems of marine debris and beach litter. Twice each year, volunteers check in at sites along the coast to pick up trash. Since the first cleanup in 1986, more than 458,000 volunteers have removed 8,700 tons of trash from Texas beaches.

The Texas Adopt-A-Beach program emphasizes the importance of education in preventing debris on Texas beaches. Years of data collection from beach cleanups have helped to identify many sources of this debris, which can be categorized into two major groups: land-based sources and ocean-based sources.

According to the Ocean Conservancy, land-based sources contribute 70 percent of all trash found in the ocean. The largest source is trash washed off streets into storm drains that empty directly into streams, rivers, and bays. Each time it rains, runoff from the street picks up litter and other pollutants.

Commercial fishing vessels, recreational boats, cargo vessels, and offshore petroleum rigs are just some of the ocean-based sources of marine debris. The various plastic wastes from these sources are among the most pervasive and threatening forms of debris found in our oceans.

While the Adopt-A-Beach program is primarily funded by the Texas General Land Office, a key factor in the success of the program is support from the private sector. Generous contributions have helped carry our message that "Trashing Texas Beaches Isn't Cool" to thousands of Texans. Businesses that have provided Adopt-A-Beach with trash bags, gloves, and souvenirs have taken the opportunity to associate their company name with a successful and worthy cause.

For more information about how you can get involved in the Adopt-A-Beach program, call 1.877.TXCOAST or visit our website at texasadoptabeach.org.

Texas Coastal Management Program

The Texas Coastal Management Program (CMP) gives Texas the ability to coordinate coastal activities along the coast and to have a say in federal decisions that impact the state. It has enabled communities to plan and implement projects to revitalize coastal waterfronts, protect themselves against coastal hazards, and rebuild or enhance natural areas. Each year, the CMP funds numerous coastal projects through a competitive grants process and undertakes a variety of coastal initiatives aimed at protecting and enhancing 16 coastal natural resource areas.

The program is administered by the Texas General Land Office. However, the Coastal Coordination Advisory Committee was established to advise the land commissioner on matters related to the CMP. The committee is composed of the heads of seven state natural resource agencies, the director of the Texas Sea Grant College Program, and four members appointed by the governor to represent agriculture, local government, coastal businesses, and coastal residents.

For more information on the CMP,
please visit glo.texas.gov
or call 800.998.4GLO, and select option 8.

Special Thanks to Our Sponsors

CONTEST GUIDELINES

Entry Deadline: Monday, March 3, 2014

1. Artwork should be based on the theme "Treasures of the Texas Coast" and should depict why the Texas coast is important or special to the student.
2. Artwork must be original and must be a horizontal or vertical drawing or painting measuring approximately eight and a half (8 1/2") by eleven (11") inches. The size should not include a mat or border. Entries must not be framed, under glass, or have a protective covering that is attached to the art.
3. Acceptable art media are paint (acrylic or water color), colored pencil, colored markers, ink, crayon, and chalk or pastel (fixed). Three-dimensional pieces, including collages, computer printouts, photography, or photocopies are not eligible. Nothing may be glued, stapled or attached to the front of the artwork in any way. For display purposes, colorful entries are preferred. Please do not write on the front of the artwork. No use of company logos, product brands, or store names. Any entries using such items will be disqualified.
4. All entries must have a completed parental release form affixed to the back of the artwork. Use a clear glue stick or tape the form. Do not staple or paper clip the form as it damages the artwork.
5. Winners will be announced in mid-April. Ten entries from each category will be selected for awards. Winners will be determined by a panel of judges. Judging will be based on originality, creativity and consistency with the theme "Treasures of the Texas Coast."
6. Damaged, late or previously entered artwork is not eligible. The GLO's determination regarding lost, damaged, late or previous artwork will be final.
7. All artwork becomes the property of the GLO. Winners and their parents/guardians agree to the GLO's use of their artwork and names to promote the Adopt-A-Beach program. Artist credit will be given.
8. Since entries will not be returned, you may want to color copy the artwork prior to mailing it to the GLO.
9. Household family members of GLO employees are not eligible.
10. All entries must be postmarked by Monday, March 3, 2014.
11. The contest is void where prohibited.
12. All taxes on prizes are the sole responsibility of the prize winner.
